

HEAT PUMP

FEATURES

- › Rapid hot-gas defrosting
- › Low energy consumption
- › Digital control
- › Titanium exchanger
- › Profiled helix to increase circulation of air
- › Operates quietly thanks to the acoustic sheath of the compressor
- › Electronic valve for increased performance

ECO-ENERGETIC EFFICIENCY due to rapid defrosting

Compared to other types of water heaters on the market, the hot-gas defrosting technology available on Distinction heat pump will enable you to defrost the heater in a few minutes instead of hours. That will also extend the swimming pool season.

WARRANTY

3 years non-transferable limited warranty
