WOOD
POOLS

This above ground pool features a contemporary design. Its undeniable quality offers exceptional weatherability and superior resistance to our harsh winters. This model gets a perfect score!

SAVANNA

Above ground

Yellow pine 52-inch wall

This model is not only about looks. The durability of the type of wood, superior to cedar, translates into unmatched quality.

7-inch resin rail (9-inch rail on oval models)

The resin rails offer superior UV resistances compared to wood rails and require no maintenance

Elegantly durable, the TOUNDRA and SAMOA models in red pine feature top quality, synthetic pressure treated components for enhanced longevity. Beauty that will last!

TOUNDRA / SAMOA

Semi-inground

9-inch resin rail

The resin rails offer superior UV resistance compared to wood rails and require no maintenance.

Red pine wall

Pine offers superior resistance to fungal decay as compared to cedar.

Advantages

Made of treated pine, our wooden pools are more winter and harsh weather resistant.

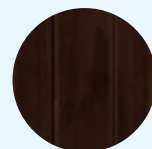

Eco-friendly product made in Canada.

Provides approximately 5°C warmer water. Thanks to the foam between the liner and the wall.

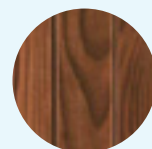

Wood treated with the environmentally friendly ACQ (Alkaline Copper Quaternary) process that protects against rotting and termites.

Offered in a color palette that enhances the nobility of the wood.
